

Children's eye tests

Orthoptic Clinic
Tel: 01271 322469

This leaflet gives information to parent and carers about what will happen during their child's appointment with the orthoptist. The leaflet will also help you prepare for the appointment.

What is an orthoptist?

An Orthoptist is someone specially trained to test eyes. She/he will be able to tell if there is any problem with your child's eyes.

It is important that all children have their eyes tested especially if someone in the family wears glasses or has a 'lazy eye'.

What happens during the appointment?

PALS

The Patient Advice and Liaison Service (PALS) ensures that the NHS listens to patients, relatives, carers and friends, answers questions and resolves concerns as quickly as possible. If you have a query or concern call 01271 314090 or email ndht.pals@nhs.net. You can also visit the PALS and Information Centre in person at North Devon District Hospital, Barnstaple.

Have your say

Royal Devon University Healthcare NHS Foundation Trust aims to provide high quality services. However, please tell us when something could be improved. If you have a comment or compliment about a service or treatment, please raise your comments with a member of staff or the PALS team in the first instance.

'Care Opinion' comments forms are on all wards or online at www.careopinion.org.uk.
