

Festive message from the Royal Devon

As 2022 comes to an end, the leadership team at the Royal Devon has recorded a message to reflect on the year and say thank you to our colleagues, volunteers, Governors, partners, and communities for your continued support.

Best wishes for the festive season, whichever holiday you're celebrating.

230 under-fives. So, if you or your children are eligible, we urge you to please take up the invitation to have the flu jab.+

Parents in particular are being encouraged to have their two- and three-year-olds vaccinated when invited by their GP practice.

Top row (left to right):

and influence the wider determinants of health. Over time, working with local partners and the strengths and assets of local communities will help reduce demand on services.+

Healthcare support workers work across a variety of settings, including our acute, community, specialist and primary care services, and include roles like maternity support workers, healthcare assistants, theatre assistants and healthcare support workers. All of our colleagues play a vital role in providing outstanding care, and our HCSWs are often the faces our

been doing less and less of, or even none. Boating, fishing, running, playing with my two
